‘Building Lifelong Foundations Together’

Attendance

Attendance Matters!

Every Student, Every School, Every Day

Class	Weekly Attendance
Forde	96%
Courtenay	98%
Templar	87%

This week’s whole school attendance: 96.9%
Last week’s whole school attendance: 96.4%

RAG Rating		98% and above
		96.1%- 97.9%
		96% and below

Our whole school attendance target is 96%

Home Learning

Please read 4x a week.

Please see your child’s Home Learning book which comes home every **Friday**

Dear Parents,

The children have been working hard this week as well as being super supportive to their Year 6 friends who were doing their SATs. The timetable was changed a little bit to help facilitate these but all children coped well with changes and continued to show fantastic learning behaviours throughout the week. Thank you Forde Class!

This week in Religion and Worldviews we looked at how babies are welcomed into faith communities. We looked at examples of a Christian baptism and an Islamic aqiqah and talked about the important symbolic aspects of each of these ceremonies.

Star of the Week:

In RHE we have been discussing the internet and how to stay safe online. We spoke this week about being wary of people online and how we

Oscar – for working hard on his writing

should never reveal personal details about ourselves to people we meet on the internet. We said that if anything worries us while we are online we should STOP (stop what you are doing and do not click on any messages), CLOSE (close the laptop or put down the phone) and TELL (tell a trusted adult about what we have seen).

The children enjoyed using the parachute during our PE lesson – they worked as a team to make sure the ‘popcorn’ (beanbags!) didn’t pop out of the pan.

The children have been writing sense poems in writing lessons this week and have written some lovely poems to be entered into the Young Writers competition.

Have a lovely weekend,

Mrs Perry-Bates and the KS1 team

MESSAGE FROM MR O’SULLIVAN

We Believe:

We are Stronger Together:

We are incredibly proud of our Year 6 pupils this week for their outstanding efforts during their end-of-key-stage assessments. They showed tremendous resilience, determination, and maturity throughout, and we couldn’t be more impressed with their attitude. A huge thank you also goes to the rest of the school for the compassion, encouragement, and quiet support they offered during this time—it truly demonstrated the strength of our school community and our values in action.

We all belong in our School Trust:

Our After School Club continues to be a huge success, and it’s been brilliant to see just how happy and engaged the children are when attending. Whether it’s enjoying games, getting creative with crafts, or simply having time to relax and unwind after the school day, the club has become a valued part of our offer to families. We’re delighted to confirm that the club will continue next term, and we encourage parents to get in touch if they would like to book a place for their child.

In Removing barriers for all

A heartfelt thank you to our incredible PTFA for their tireless work and dedication throughout this academic year. From organising events to raising much-needed funds, their efforts have made a real difference to our school. Looking ahead, the PTFA will be welcoming new members from September, and we would love to see more parents get involved to help us continue building opportunities and experiences for our children.

In realising the possible so that all children can flourish

Finally, we're delighted to celebrate our fantastic attendance figures for this half term. It's been wonderful to see so many children in school each day, ready to learn and take part in all we have to offer. Good attendance is key to success—not just academically, but socially and emotionally too. Let's keep this positive momentum going as we head into the final half term of the year and make Summer 2 our strongest yet!

Inter School Competition

We're excited to be invited to take part in a special inter-school challenge! Winning entries will have their drawings or poems engraved on plaques displayed on the new tree planters along Queen Street, Newton Abbot – a prominent and long-lasting way to showcase their creativity to the whole community. Queen Street is a key walking route for many of our families heading to school or visiting the shops, cafés and local businesses. In partnership with Devon County Council, Teignbridge have been working to make the area safer, greener and more welcoming. Improvements include widened pavements, new crossings, 20 mph limit, reduced through traffic, new seating and the planting of beautiful Juneberry trees.

The Juneberry trees do more than brighten the street with their wonderful white blossom, gold or coppery coloured leaves, and lush berries – they can also support biodiversity by providing nectar for pollinators, and shelter and food for birds.

We would love for our pupils to take inspiration from the Juneberry trees – either by walking down Queen Street to see them in person or by reading our short Key Stage 2 fact sheet (school children of any age are welcome to enter). Then, we're inviting them to either:

- Draw their best picture of a Juneberry tree, or
- Write a short poem about trees (up to 200 words).

We ask for all entries to be submitted by Wednesday 4 June via email. A panel consisting of the Queen Street project team will then select seven winning entries from across the participating schools to be featured on the plaques on the wooden tree planters.

CLUB OFFERS: - ALL NOW LIVE!

Parking Permits

We have been issued with new car parking permits by the Council. The permits allow you to park in Osborne Street car park for free at pick up and drop off. If you would like a new permit please let Mrs Webber know

FAMILY SUPPORT

Free online courses for parents

This means every single resident in Devon, Torbay and Plymouth can access the following courses completely free of charge:

These courses are for everyone who wants to be the best mum, dad, grandparent, carer that they can be. The Solihull Approach aims to improve emotional health and wellbeing by supporting relationships. The courses are written by Child and Adolescent Mental Health Services professionals with other health and education workers. They are evidence based and accredited by the Department for Education. Together, we are aiming to change the culture around parents' self-development, while improving children's wellbeing at the same time. A smoother home life is good for concentration, learning and performance at school.

Head to the Our Place website to access the courses – click the 'Start now' option and use the access code TAMAR.

Some of the courses available are:

Understanding your child: from toddler to teenager

- Understanding your child with additional needs
- Understanding your child's feelings
- Understanding your child's mental health and wellbeing
- Understanding your teenager's brain
- Moving up to secondary school for children with additional needs

If you have any further queries, please email d-ccq.cornwallanddevonsolihull@nhs.net.

All Saints Marsh C of E Academy, Osborne Street, Newton Abbot, TQ12 2DJ

- The Station (Newton Abbot Youth Centre) is opening our Wednesday evening youth club to Year 6 from 4th June until Summer. This will be alongside current year 7s.
- There will also be a Class of '25 party for young people (Year 6) starting secondary school this September. This has been a really successful event that has been held for 6 consecutive years! This will be on Thursday 31st July 2025 @ 11am until 2pm. This is a mixed session for young people attending any local secondary school in Newton Abbot.

These projects and transition programmes are because we understand transitioning from primary school to secondary school can be a challenging and often daunting time for young people. Space helps with this transition and gives young people an opportunity to meet their new classmates, have some fun and help them feel ready for the new term. These sessions will be run and supported by experienced youth workers.

Notes -

- For youth club sessions we ask young people to just arrive with an emergency contact number. Following their first session parents will be sent a text to complete a registration form.
- Spaces must be booked in advance via QR code for the Class of 25' event.

For more information on any of our services please reply to this email or contact us directly. [Space Youth Services](#) | [Unlocking Potential with Young People](#) | [Youth Centres Devon](#) | [Youth Clubs Devon](#) | [Youth Help Devon](#) | [Online Youth Work](#) | [Digital Youth Work](#)

CHILDREN'S SWIM LESSONS

Join
today!

Following the
Swim
England

Learn to Swim
Programme

Dive into fun with our children's swimming lessons!

Swimming lessons are available at Newton Abbot Leisure Centre and Dawlish Leisure Centre. We cater for anyone learning to swim, from babies (and their parents) to children and adults. Our swim school offers a safe and welcoming environment where swimmers can learn and grow at their own pace.

Parents, swimming is more than just a fun activity - it's a fantastic way for your children to stay healthy, happy and confident. And the best part? It's a skill for life, ensuring safety and enjoyment in water activities for years to come!

Join today! Pay monthly with our Jam Packed Junior Membership, which includes great activities or you can Pay Per Term for swimming lessons only.
