

30th April 2026

Dear Families and Members of Our School Community,

We are delighted to share some very exciting news with you — All Saints Marsh Nursery will be opening this September.

This development marks a significant and joyful milestone for our school and community. We are immensely proud to be able to extend our provision to support children from the very earliest stage of their educational journey, strengthening our commitment to inclusion, belonging and lifelong learning.

Our vision, 'Building life long foundations together', is at the heart of this new Nursery provision. As a wholly inclusive school, we believe this is a powerful opportunity to support children and families from their youngest years, ensuring that every child feels valued, nurtured and inspired from the very beginning.

All Saints Marsh Nursery will offer provision from 2 years old, aligning closely with the wider school day and following school term times. Families will be able to choose from morning, afternoon or full-day sessions, allowing flexibility while ensuring consistency and continuity for children as they progress through the school.

The Nursery will provide a warm, safe and stimulating environment where children are happy, confident and excited to learn. Through play, exploration and meaningful experiences, children will spend their days sharing, talking, singing, problem-solving and discovering the world around them. Our experienced early years practitioners will focus on building confidence, resilience and a genuine love of learning, carefully preparing children for a smooth transition into the Early Years Foundation Stage.

We believe this Nursery will have a lasting and positive impact — not only on the children who attend, but on the wider community we serve. Supporting children from this early stage allows us to build strong relationships with families and lay firm foundations that will benefit children throughout their schooling and beyond.

We are now beginning to take enquiries and bookings, and registration paperwork will be available ahead of the Nursery opening in September. Further information will be shared soon, including details on sessions, admissions and key dates which will be published [here](#) on the Academy website.

We would be absolutely delighted to welcome families to visit the school, and we look forward to sharing our Nursery setting with you once the space is complete. Opportunities to look around and meet the team will be communicated shortly.

FLOURISHING FUTURES

Please look out for further updates, and do not hesitate to get in touch if you would like to express interest or request more information.

We cannot wait to welcome our youngest children through the doors of All Saints Marsh and begin this exciting new chapter together.

Your sincerely

Mr Liam O'Sullivan

Head of Academy
