RHE Scheme of Work

Dear Parents and Carers

We are writing to invite you to a parent presentation and consultation about our new Relationships and Health Education (RHE) scheme of work.

The meeting will take place at 5.00pm in the school hall on Thursday 11th June.

As a school, we are committed to providing high-quality Relationships and Health Education that supports pupils' wellbeing and personal development. The new RHE curriculum has been carefully designed and is fully aligned with the Department for Education's statutory guidance on Relationships and Health Education.

The meeting will provide an opportunity for you to:

- Gain a clear overview of the RHE curriculum and how it will be taught across the school
- Look through the teaching resources that will be used with pupils
- Understand how the content is age-appropriate and delivered sensitively
- Ask questions and share any thoughts or queries you may have

We hope this session will help you feel informed and confident about the learning your child will experience and how we work in partnership with families to support this important area of education.

We encourage all parents and carers to attend and look forward to welcoming you.

Yours sincerely,

Liam O'Sullivan
