

12th February 2026

Dear Parents and Carers,

We are writing to make you aware that the school has recently been informed of a number of online group chats involving some of our Year 5 and Year 6 pupils.

While we understand how important communication and friendship are for children, especially as they grow more independent, we also want to ensure that all pupils are kept safe when interacting online. Group chats can sometimes lead to children encountering or sharing content that may not be appropriate for their age, or feeling pressure to take part in conversations that make them uncomfortable.

We kindly ask parents and carers to be extra vigilant in monitoring their child's online activity. Please take some time to talk with your child about staying safe online, being mindful of what they share, and knowing what to do if they see something that concerns them. Regularly checking privacy settings and reviewing which group chats your child is part of can also be very helpful.

Thank you for your continued support in helping us promote safe and responsible online behaviour.

Regards

Miss Blakesley and Mrs Mott
