

Courtenay Class Weekly Newsletter Friday 13th June 2025

'Building Lifelong Foundations Together'

Attendance

Attendance Matters!

Every Student, Every School, Every Day

Class	Weekly Attendance
Forde	87%
Courtenay	100% Amazing
Templar	100% Amazing

This week's whole school attendance: 96.5%

Last week's whole school attendance: 97.8%

RAG Rating		98% and above
		96.1% - 97.9%
		96% and below

Our whole school attendance target is 96%

Home Learning

Please continue to read 4 times a week, and log this in the reading journal. Please practise times table facts with your child 3 to 4 times per week.

Dear Parents and Carers,

The children of Courtenay Class have had a great week back after their half-term break and they have impressed a great deal with how quickly they have settled back into their learning and school routines.

In Maths this week, we have been making great progress with our Decimals unit: in particular, we have been learning more about hundredths (as decimals and fractions) and how to use place value charts, number lines and other methods to assist us further with these.

In Geography, we have researched about tectonic plates and how some natural disasters and new mountain ranges can be created when these giant segments of the Earth's crust layer diverge, converge or transport

Star of the Week

Leja is Star of the Week for always setting a great example with her 'role model' behaviour and learning around the school.
Well done!

along each other. The children are very excited about this topic, so it should be a fun few weeks of Geography coming up!
Other subjects this week include PE, in which we have practised our relay running techniques; Whole Class Reading, in which we have been answering comprehension questions in relation to "The Wishkeeper's Apprentice"; and RE, in which we have started to look at how followers of different religions try to make the World a better place.

I hope you all have an excellent weekend!

Mr Morton

MESSAGE FROM MR O'SULLIVAN

We Believe:

We are Stronger Together:

This term, our new Christian value is *creativity*, which we will be exploring it in a variety of ways across the school. In our active worship, children have reflected on how creativity is a gift from God and how we can use it to solve problems, express ourselves, and bring joy to others.

We all belong in our School Trust:

We are incredibly proud of our Year 1 and Year 4 pupils for their hard work this week. Year 1 children tackled their Phonics Screening Check with confidence, demonstrating the fantastic progress they have made in their reading. Meanwhile, our Year 4 pupils completed the Multiplication Tables Check with resilience and determination. Well done to everyone involved!

In Removing barriers for all

A quick reminder that our filming day will take place on Monday 30th June. All parents and carers should have received a letter with details about the day. We are excited to capture the spirit of ASM on film, showcasing our wonderful school environment, engaged learners, and dedicated staff. If you have any questions or have not received the letter, please get in touch with the school office. Link to form: <https://forms.office.com/e/HYk4njfb03>

We are pleased to announce the Summer HAF Programme for 2025 is now Live.

We are now using the Eequ booking system, so we no longer use unique HAF codes.

Here is a link to the new booking system [Eequ · After school. In place of school. Beyond school.](#)

Can you please share this with your eligible parents, parents tell us the most popular way of getting to hear about HAF is when the school's let parents know, so thank you for all your efforts.

Here is a link to the parent pages of the HAF website for further information [Information for parents and carers - Children, families and education](#)

Kind regards

The HAF Team

Stanley Beau Foundation

--	---

Transitioning from primary school to secondary school can be a challenging and often daunting experience.

We want to support this transition and give you an opportunity to meet some new friends, meet local youth workers, have some fun and feel more prepared to start a new school environment and chapter in your life.

GOODBYE PRIMARY, HELLO SECONDARY
