Forde	100% Amazing Well Done
Courtenay	99% Fantastic
Templar	95%

This week’s whole school attendance: 97.8%
Last week’s whole school attendance: 94.1%

RAG Rating		98% and above
		96.1%- 97.9%
		96% and below

Our whole school attendance target is 96%

Home Learning

Please read 4x a week.

Please see your child’s Home Learning book which comes home every **Friday**

Dear Parents,

For a relatively short half term we have definitely packed a lot in! We have been busy in all areas of the curriculum and the children have enjoyed lots of exciting learning opportunities and have worked their socks off!

In Maths Year 1 and 2 have been learning about fractions, particularly looking at halves, quarters and thirds of shapes and numbers. They used their division, multiplication and adding skills in particular to help them find answers to some complicated questions! The TT Rockstars stats have been looking a little low recently – these multiplication skills will really aid their fluency in Maths so if you can find time over the next two weeks to log on I am sure they will find it very beneficial!

Star of the Week:

Brody – for his fantastic learning behaviours in all lessons.

EYFS have been working on 2D shapes – matching them and naming them. I wonder if they can spot any shapes while you are out and about this half term?

EYFS have been doing their daily sentence writing, on top of their RWInc lessons. This has improved their writing so much – any help you can give at home would be great.

In History the Year 1 and Year 2 children looked further back into the timeline of our royal family and learnt about Queen Elizabeth I. They drew timelines of her immediate family.

In Art this week the children finished their work on sculpture and created their own sculptures with modelling materials, inspired by the focus artist Lonnie Holley.

Have a fantastic half term, I look forward to seeing the children in two weeks time for our final term!

Mrs Perry-Bates and the KS1 team

MESSAGE FROM MR O’SULLIVAN

We Believe:

We are Stronger Together:

As we come to the end of this half term, our focus on compassion has been truly brought to life across the school. We’ve seen so many examples of children showing empathy, listening to one another, and sharing their worries with trusted adults and friends. We couldn’t be prouder of the community spirit they’ve shown.

We all belong in our School Trust:

We were delighted to celebrate Forde class's brilliant attendance this term with a special attendance breakfast! Their commitment to coming to school every day, ready to learn, has been outstanding. It was fantastic to see the smiles on their faces as they tucked into their well-earned treats. Well done, Forde—you are setting a great example for the whole school!

In Removing barriers for all

We're also excited to announce the return of tennis club after half term! This is a brilliant opportunity for children to be coached at a high-quality local facility, helping them to build new skills, stay active, and enjoy sport in a fun and supportive environment. Spaces will be limited, so please look out for sign-up details coming home next week—this is definitely not one to miss!

In realising the possible so that all children can flourish

Finally, we want to celebrate the incredible focus and dedication our children have shown to their learning this half term. From enthusiastic writing to creative projects and excellent teamwork, their commitment has been inspiring. As we look ahead to Summer 2, we're excited about the many enriching opportunities planned, including trips, theme weeks, and outdoor learning. We wish all our families a restful break and can't wait to see everyone back at school on Monday 9th June.

SUMMER 2 ALL NOW LIVE!

KS1 Cooking Tuesdays 3-4pm 17.6.25 - 22.6.25

CHILDREN'S SWIM LESSONS

Join
today!

Learn to Swim
Programme

Dive into fun with our children's swimming lessons!

Swimming lessons are available at Newton Abbot Leisure Centre and Dawlish Leisure Centre. We cater for anyone learning to swim, from babies (and their parents) to children and adults. Our swim school offers a safe and welcoming environment where swimmers can learn and grow at their own pace.

Parents, swimming is more than just a fun activity - it's a fantastic way for your children to stay healthy, happy and confident. And the best part? It's a skill for life, ensuring safety and enjoyment in water activities for years to come!

Join today! Pay monthly with our Jam Packed Junior Membership, which includes great activities or you can Pay Per Term for swimming lessons only.

Scan QR code or visit:
teignbridgeleisure.co.uk

11:00-2PM

£5

Inflatables, challenges, food,
fun and friends

BOOKING
REQUIRED

Transitioning from primary school to secondary school can be a challenging and often daunting experience.

We want to support this transition and give you an opportunity to meet some new friends, meet local youth workers, have some fun and feel more prepared to start a new school environment and chapter in your life.

GOODBYE PRIMARY, HELLO SECONDARY

01626 369283

THESTATIONNYC@SPACEPSM.ORG

Transition programme for Year 6 in 2025 at SPACE Newton Abbot.

There are two planned programmed events (see above).

- The Station (Newton Abbot Youth Centre) is opening our Wednesday evening youth club to Year 6 from 4th June until Summer. This will be alongside current year 7s.
- There will also be a Class of '25 party for young people (Year 6) starting secondary school this September. This has been a really successful event that has been held for 6 consecutive years! This will be on **Thursday 31st July 2025 @ 11am until 2pm.** This is a mixed session for young people attending any local secondary school in Newton Abbot.

These projects and transition programmes are because we understand transitioning from primary school to secondary school can be a challenging and often daunting time for young people. Space helps with this transition and gives young people an opportunity to meet their new classmates, have some fun and help them feel ready for the new term. These sessions will be run and supported by experienced youth workers.

Notes -

- For youth club sessions we ask young people to just arrive with an emergency contact number. Following their first session parents will be sent a text to complete a registration form.
- Spaces must be booked in advance via QR code for the Class of 25' event.

For more information on any of our services please reply to this email or contact us directly.
