Courtenay	100% Amazing
Templar	100% Amazing

This week's whole school attendance: 96.5%

Last week's whole school attendance: 97.8%

RAG Rating		98% and above
		96.1% - 97.9%
		96% and below

Our whole school attendance target is 96%

Home Learning

Reading: Reader Identity and Tower of Power – see separate sheet

Dear Parents and Carers,

This week, Year 6 started their weekly swimming lessons at Newton Abbot Leisure Centre. They were brilliant! The walk there and back is always full of happy chatter and the giggles did not stop in the pool! The water may have been cold, but every child still tackled every distance with enthusiasm. The quality of provision is excellent during these sessions: two teachers and two lifeguards, plus exclusive use of the whole pool, for our 12 children. This means that they make astonishing progress across the sessions, whilst having heaps of fun!

Star of the Week

Iman for always taking such a polite and enthusiastic

In Geography, we have started our unit about South America. Place and location are threads that run through every Geography unit across the school, along with the difference between physical (natural) and human

interest in the wellbeing of adults in our school

(man-made) Geography. Our big question in this unit is, "How does the physical Geography of South America impact the people who live there?" We begin every unit with making links back to previous units and I was impressed by how well Templar could use their previous physical Geography learning to make informed predictions about settlements in South America. For example, they predicted that there would be more dispersed settlements in the mountainous regions because it is difficult to grow crops, rear cattle, build and access water or coastal trade from these locations. What a great start to the unit!

Please accept our sincere apologies that the holiday home learning for Reading was not sent home on the final Friday of last half term. This home learning has now been sent home and will count as the home learning for this week for Reading, so it is now due in on Thursday 19th June.

Mrs Mott and Miss Blakesley

MESSAGE FROM MR O'SULLIVAN

We Believe:

We are Stronger Together:

This term, our new Christian value is *creativity*, which we will be exploring it in a variety of ways across the school. In our active worship, children have reflected on how creativity is a gift from God and how we can use it to solve problems, express ourselves, and bring joy to others.

We all belong in our School Trust:

We are incredibly proud of our Year 1 and Year 4 pupils for their hard work this week. Year 1 children tackled their Phonics Screening Check with confidence, demonstrating the fantastic progress they have made in their reading. Meanwhile, our Year 4 pupils completed the Multiplication Tables Check with resilience and determination. Well done to everyone involved!

In Removing barriers for all

A quick reminder that our filming day will take place on Monday 30th June. All parents and carers should have received a letter with details about the day. We are excited to capture the spirit of ASM on film, showcasing our wonderful school environment, engaged learners, and

We are pleased to announce the Summer HAF Programme for 2025 is now Live.

We are now using the EEUQ booking system, so we no longer use unique HAF codes.

Here is a link to the new booking system [Eequ - After school. In place of school. Beyond school.](#)

Can you please share this with your eligible parents , parents tell us the most popular way of getting to hear about HAF is when the school's let parents know, so thank you for all your efforts.

Here is a link to the parent pages of the HAF website for further information [Information for parents and carers - Children, families and education](#)

Kind regards

The HAF Team

Stanley Beu Foundation

BOOKING REQUIRED

Transitioning from primary school to secondary school can be a challenging and often daunting experience.

We want to support this transition and give you an opportunity to meet some new friends, meet local youth workers, have some fun and feel more prepared to start a new school environment and chapter in your life.
