

11th March 2026

Dear Parents and Families,

I am delighted to share some exciting news as we look ahead to the new academic year. From September, our school will be offering a **FREE breakfast club for all pupils**, running daily from **8:00–8:30am**.

This initiative is part of a national roll-out that will eventually see free breakfast clubs available in every primary school in England. We are proud to be among the early schools taking part, ensuring our children benefit straight away.

Free breakfast clubs play an important role in helping pupils start each day ready to learn. A nutritious breakfast supports improved behaviour, attendance, and attainment, while also ensuring that no child begins their school day hungry. Alongside breakfast, children will have the chance to enjoy calm, positive activities such as reading, games, and crafts with their friends.

We also know how valuable this support can be for families. Offering free childcare at the start of the school day means parents can drop children off half an hour earlier at no additional cost.

We are very pleased to be able to offer this provision and look forward to welcoming children to our breakfast club in the new school year. Booking will be via the MCAS app (wraparound care) and will be set live towards the end of the academic year.

Thank you, as always, for your continued support Yours sincerely

Mr O'Sullivan

Head of Academy.
