'Building Lifelong Foundations Together'

Attendance

Attendance Matters!

Every Student, Every School, Every Day

Class	Weekly Attendance
Forde	95%
Courtenay	97%
Templar	98%

This week's whole school attendance: 96.1%

Last week's whole school attendance: 96.2%

RAG Rating		98% and above
		96.1% - 97.9%
		96% and below

Our whole school attendance target is 96%

Home Learning

Please continue to read 4 times a week, and log this in the reading journal. Please practise times table facts with your child 3 to 4 times per week.

Dear Parents and Carers,

The children of Courtenay Class have enjoyed another exciting week of learning, when they have developed their understanding and made excellent progress during lessons.

The highlight of the last few days was undoubtedly the school trip to Paignton Zoo, where we saw plenty of exciting and amazing animals - and the children of Courtenay Class behaved themselves extremely impressively (to the compliments of many zoo staff and visitors).

Star of the Week

In Maths, we have been learning more about decimals, and in particular the partitioning, rounding, comparing and ordering of decimals, which the children have made great progress with.

Rohan is Star of the Week for always setting a great example with his 'role model' behaviour and learning around the school.
Well done!

In Science, we have been studying how the Sun can be dangerous for our eyes and skin – and we have experimented with UV beads to test out what would happen when these are exposed to UV light. Also, we studied how the length of shadows changes as the Sun moves around the sky during the course of a school day.

In PE, we have been further developing our cricket skills; in RE, we have looked at how different religious and non-religious people try to make the World a better place; and in Music, we have been working with a trained musician to improve our singing and rhythm skills.

Mr Morton

MESSAGE FROM MR O'SULLIVAN

We Believe:

We are Stronger Together This week, we have been celebrating the Christian value of *creativity* this half term. In worship, we've been reflecting on how each of us is wonderfully made, with unique gifts and talents to share with the world. It's been a joy to see how confidently and thoughtfully our pupils have embraced this message, both in class and around the school.

Members of the School Council and the Young Curator Club visited the grand opening of the 'All Aboard' community art project this week. They watched a colourful and creative performance from the local Samba Band, met the Mayor of the Town Council and saw their creative inspiration come to life in the art work.

We all belong in our School Trust:

One of the highlights of this term was our fantastic trip to Paignton Zoo on Friday! The children were full of excitement and curiosity as they explored the different habitats and learnt about animal conservation. Staff and members of the public commented on how polite, enthusiastic and well-behaved our pupils were throughout the day – true ambassadors for All Saints Marsh. It was a brilliant opportunity to connect our learning with the wider world and build memories that will last a lifetime. We would like to take the opportunity to once again thank the PTFA for enabling the trip to go ahead.

To see more photos from our fabulous trip please see and follow our facebook page

In Removing barriers for all

A quick reminder that our filming day will take place on Monday 30th June. All parents and carers should have received a letter with details about the day. We are excited to capture the spirit of ASM on film, showcasing our wonderful school environment, engaged learners, and dedicated staff. If you have any questions or have not received the letter, please get in touch with the school office. Link to form:

Our History Hunters group also had a special opportunity this week to attend the opening of the newly developed bypass in Newton Abbot. As part of their ongoing project to learn more about the development of our town, the children asked insightful questions and showed real commitment to understanding how communities grow and change. It was a proud moment to see them engage with local leaders and celebrate a new chapter in the history of our town.

SUMMER 2 ALL NOW LIVE!

FACEBOOK

We have changed pages – please follow us at <https://www.facebook.com/allsaintsLAP> to keep updates with what's going on

Parking Permits

We have been issued with new car parking permits by the Council. The permits allow you to park in Osborne Street car park for free at pick up and drop off. If you would like a new permit please let Mrs Webber know.

FAMILY SUPPORT

We are pleased to announce the Summer HAF Programme for 2025 is now Live.

We are now using the EEQU booking system, so we no longer use unique HAF codes.

Here is a link to the new booking system [Eequ · After school. In place of school. Beyond school.](#)

Can you please share this with your eligible parents, parents tell us the most popular way of getting to hear about HAF is when the school's let parents know, so thank you for all your efforts.

Here is a link to the parent pages of the HAF website for further information [Information for parents and carers - Children, families and education](#)

Kind regards

The HAF Team
