Provision by Need: What SEND Support Can My Child Expect at All Saints Marsh?

Every
child
matters
♥

We are proud to provide a wide range of Ordinarily Available Inclusive Provision (OAIP) for our SEND children, tailored to their individual needs. This support is part of our inclusive approach and is available in addition to high-quality teaching for every child.

Communication & Interaction

Supports children in developing communication, language and social interaction skills.

This may include:

- Language and speech interventions
- Visual supports (e.g. Makaton, symbols, PECS)
- Social communication groups
- Talk support and vocabulary development
- Structured conversation and turn-taking activities

➤ Helping every child find their voice ➤

Cognition and Learning

Helps children to build their understanding, develop key skills and make progress at their own pace.

This may include:

- Adaptive teaching across all subjects
- Learning interventions (e.g. 1:1 or small group)
- Breaking learning into small, manageable steps
- Revisiting and consolidating learning
- Additional resources and assistive technology

➤ Building confidence and independence ➤

Social, Emotional and Mental Health

Supports children to feel safe, secure and ready to learn, and to develop positive relationships.

This may include:

- Social skills and friendship groups
- Nurture provision
- Emotional regulation strategies
- 1:1 check-ins and trusted adult support
- Access to our wellbeing team

➤ Happy minds, successful learners ➤

Sensory and Physical Needs

Supports children with sensory processing, physical needs and access to the curriculum.

This may include:

- Sensory space and calm areas
- Reasonable adjustments (e.g. seating, lighting, layout)
- Movement breaks and physical support
- Adapted resources and equipment
- Support with fine motor skills and handwriting

➤ Removing barriers, opening opportunities ➤
